"Lanky Bob" Resides in Many Places, Says the Plaintiff.

Stakeholder Dwyer May Not Be Able to Pay Out the Prize.

Moses H. Grossman, of Friend, House & Grossman, applied to Judge Beek-man, in Supreme Court Chambers, today, to vacate the attachment for \$3, 978.34 obtained by the Metropolitan Job Printing Company on \$10,000 of the stake money alleged to belong to Robert Fitzsimmons, put up in the hands of Philip J. Dwyer to bind the prize-fight between Corbett and Fitzsimmons, which will take place in October.

The printing company claims to have a bill against Fitzsimmons for printing done for the Bob Fitzsimmons's Own Specialty Company. When Fitzsim-mons's stake money was put up ! levied an attachment and served it on Dwyer, the stakeholder. So long as the attachment stands, Dwyer will be unable to part with Fitzsimmons's por zion of the stakes.

Grossman, in making his motion to

vacate, said the attachment was obtained on the allegation that Fitzsimmons was not a resident of New York State. This, he said, was not it is and was also inconsistent with a rether allegation that Fitzsimmons was a native of Australia, and the plaintiff did not know where he resided. If it did not know where he resided, then he might reside in New York, and the allegation that he did not was untrue. At the time the attachment was obtained. July 9 last, Fitzsimmons resided in New

mons.

As to Fitzsimmons's residence in this city, counsel said that he lived two days at the Hoffman House and then rented a furnished flat in Thirty-sixth street, where his wife told the landlady they did not know how long they would termain. Decision reserved.

#### FITZ WANTS TO BE "LET IN." Alleged that He May Refuse Fight Unless Mollifled.

CHICAGO, Sept. 11 .- The Inter Ocean this morning prints a story in which it is said that Fitzsimmons has declared that he will refuse to meet Corbett in that he will refuse to meet Corbett in Dallas unless he is "let in" on certain concessions by which he believes a large sum of money will be realised.

It is said that he accuses Brady, Corbett, Joe Vendig and Stewart, of Dallas, with gobbling up everything in sight, from the lemonade stand to the machine with which it is intended to reproduce the fight throughout the country. It is the latter concession that Bob is especially jealous of, and it is said that he has made a formal demand for I percentage of the profits on it, otherwise, he declares, there will be no fight.

To-day the track is the fatest in America. It is as hard as asphalt, but wery fast and springly, as was attested last Saturday, when Wefers, Crum, Lee. All the stands have been thoroughly overhauled and carefully inspected by the regular inspectors of the City Building Department and every provision has been made for the comfort and safety of the big crowd expected.
